

M.J.M. CAPITAL, INC.

M.J.M. Leasing

"The Financing People"

Company Information Sheet

- What do we do?

M.J.M. Capital provides financing for businesses in the form of capital leases, operating leases, and loans.

- How we do it?

M.J.M. Capital has built relationships with over a dozen funding sources, and lending institutions. The relationships M.J.M. Capital has developed can handle a wide range of credit situations.

- How much can we finance?

M.J.M. Capital can structure financing to meet all the capital requirements of most companies.

- What can we finance?

M.J.M. Capital can finance just about any type of equipment, working capital, acquisitions, and other structured transactions.

- What do we need to get started?

M.J.M. Capital requires a one page application (see reverse). Depending on the size, and structure of the transaction, additional information may be required such as company financials, and tax returns.

Feel free to contact me anytime if you have any questions about what M.J.M. Capital can do for your business.

Sincerely,

Joshua B Case
